

Wake PTA Council proudly presents PTA New Officer Training for 2008-2009

May 13, 2008 – Year Round Schools

9:30am – 12:30pm

Bond Park Community Center, Dogwood Room

150 Metro Park Drive, Cary

***RSVP by May 9th*

June 3, 2008 – Traditional and Modified Calendar Schools

9:30am – 12:30pm

Crossroads II Building, Room 1320

110 Corning Road, Cary

***RSVP by May 30th*

This training event is **appropriate for all elected PTA officers** from throughout Wake County, and will focus on the mechanics of getting your PTA up and running for the coming school year (transitioning officers from prior year to coming year, setting up a PTA calendar and budget, and the mechanics of PTA leadership at the officer level).

The format for these training sessions will be joint meetings (i.e., we are not planning to split into separate workshops during the sessions). We encourage you to bring your entire officer group so that as a group you can think through the topics presented and get off to a great start for the coming year. You'll leave with lots of ideas and plenty of enthusiasm to kick off your upcoming PTA year!

Cost: \$12 per participant for schools bringing one or two participants

\$10 per participant for schools bringing three or more participants

--Registration fee covers light morning refreshments and materials/handouts for the training session.

--Please note that costs of leadership development training are legitimate PTA expenses and can be borne by your PTA unit if budgeted by the PTA.

Please RSVP to the Council Office at 850-1635 or by email to WakePTACouncil@wcpss.net by the Friday preceding the event that you wish to attend. No need to pay for events in advance, but we must have your RSVP in order to ensure that you receive a packet of handouts and training materials. Registration fees will be collected at the events for those that RSVP in advance.

Building Leaders Today

Summer Leadership Training Session for PTA Boards

Saturday, July 26, 2008

9am-2pm

Crossroads II Building, Room 1320

110 Corning Road, Cary

The Wake PTA Council will also be sponsoring a summer leadership training event on Saturday, July 26th, that will be appropriate for both PTA Officers and Committee Chairpersons to attend. This July event will build on the material presented at the New Officer Training Sessions in May and June, and will include both joint sessions and breakout sessions. Although there may be some slight overlap in material presented, this July session is intended to delve deeper into the work of your PTA Committees.

Look for additional information to be distributed about this July event in June.
